

**SAILING
GEAR**

PERFORMANCE. COMFORT. CONFIDENCE.

Designed by sailors for sailors, Ronstan's technical wear and protective gear is developed in collaboration by our in-house designer-sailors and our team of World Class sailors to perform in the most demanding of environments.

Using the latest materials and production technologies, Ronstan's technical wear and protective gear is engineered to give you comfort and confidence for all conditions, ensuring you'll never have to come in early on our account.

We realise that making great gear isn't just about making parts and assembling components. It's about building your confidence, whether you're a day-sailor or an international competitor.

NEOPRENE FEATURES

Developed in conjunction with our team sailors and leading experts in the latest materials and production techniques, Ronstan's wetsuits integrate an intelligent layering system that delivers performance, warmth and flexibility for any conditions, regardless of the kind of sailing you do.

1. SUPER-STRETCH ENTRY

Lightweight 4-way stretch material offers convenient entry and unrivalled flexibility.

2. MESH-SKIN EMBOSSED CHEST PANEL

Eliminates surface wind chill effect and the fast-drying fleece-inner keeps you drier and warmer.

3. ABRASION RESISTANT SEAT PANEL

Reinforced seat for durability and additional rear thigh padding for comfort while hiking.

4. REINFORCED KNEES & INSERTS

Maximising protection and durability, a Skiffsuit™ hallmark.

PROTECTION, PERFORMANCE AND COMFORT

Designed by sailors for sailors, our range of wetsuits are put to the test at the most extreme levels, in all conditions. You know you'll be covered, whatever the conditions.

LAMINATES FOR WARMTH

Our high-performance materials are formed into specifically functional laminates, distributed strategically within the panel layout for optimum water repellency, drying speed, thermal comfort and wind protection.

ULTIMATE FLEXIBILITY

Carefully selected high-stretch fabrics in varying thicknesses maximise comfort and flexibility. They feel soft, yet have the ability to retain their shape, fit and thermal attributes.

LAYERING OPTIONS

Integral to the Ronstan range is a choice of layering options to suit any weather conditions. Whether it's a UV-protection 'rashie', a hydrophobic fleece-lined thermal top or our Skiffsuit™, just mix and match for any conditions.

LIGHTWEIGHT

Sailors know that thinner usually means lighter, and we put the focus on efficiency. The high-performance neoprene foam in our CL250 neoprene pants is 20% lighter than conventional neoprene, with no compromise on warmth. You're ready to sail!

NEOPRENE CLOTHING

SKIFFSUIT™ CL270

2mm (5/64") thick [w/3mm (1/8") thick rear thigh padding]
Just-right thickness for warmth and protection.

Super-Stretch Entry

Lightweight 4-way stretch material offers convenient entry and unrivalled flexibility.

Mesh-Skin Embossed Chest Panel

Eliminates wind chill affect and the fast-drying fleece-liner keeps you drier and warmer.

Reinforced Knees and Insert

Maximising your protection and durability. A Skiffsuit™ hallmark.

Available Sizes

XXS – XXL

NEOPRENE SHORTS CL260

2mm (5/64") thick [w/3mm (1/8") thick rear thigh padding]
Just-right thickness for warmth and protection.

Ultra-Comfortable

The elastic drawstring waist, Glideskin leg openings and soft leg rolls above knees provide excellent flexibility and comfort.

Quick-Dry Capable

Lined with quick-dry plush thermal lining.

Super-Stretchy & Abrasion Resistant

Seat and hiking panels at the backs of the thighs and flexible side panels provide continual comfort when hiking, while the non-slip leg openings minimise moisture and ride-up.

Available Sizes

Adult XS – XXL; Junior: J08, J10, J12

NEOPRENE PANTS CL250

2mm (5/64") thick [w/3mm (1/8") thick rear thigh padding]
Just-right thickness for warmth and protection.

High & Wide Waist

Gives lower-back protection and over-lap with top. Wide waist belt with hook-and-loop adjustment for added comfort and secure fit.

Super-Light Neoprene

20% lighter with greater comfort and no compromise on warmth.

Hydrophobic Soft-Brushed Lining

Keeps skin drier and warmer.

Padded Knee Inserts

Seamless behind-the-knees design for max comfort.

Available Sizes

XS – XXL

NEOPRENE SKIN TOP CL240

1.5mm (1/16") thick
Lightweight and super-tough!

High-Stretch Fabric

Includes seamless underarm panels for freedom of movement.

Plush Thermal Lining

Soft-feel fleece that is quick drying.

Non-Chafe Neoprene Collar

Glideskin collar & cuffs for greater comfort.

Available Sizes

XS – XXL

1. EXTREME WATERPROOF CAPABILITY

Featuring Ronstan's improved and highly waterproof R-Tech10 fabric - exceeding the demands of today's competitive sailors.

2. HIGH-INGRESS PROTECTION

Front neck opening with internal gusset and neck closure tab keeps water out and wearer dry.

3. BREATHABLE COMFORT

Triple layered fabric with taped inner shell provides wearer with a comfortable, breathable fit.

4. SNUG-FLEX FIT

Neoprene waist band, stretch cuffs and neck seals with hook-and-loop adjustments, ensures a warm, snug fit and the non-slip finish reduces ride-up.

SMOCK TOP

REGATTA SMOCK TOP CL800 RED & CL810 BLACK

Perfect Solution

The Regatta Smock Top's premium technical fabrics, practical design and smart-fit features meet the demands of today's casual and competitive sailors alike. Layered in combination with the Ronstan Thermal Top or Ronstan Rashie and you're set for whatever the day throws at you.

PFD-Ready

Designed to be worn under PFD, the athletic cut makes for a closer fit, while still providing freedom of movement and zipped pockets are accessible with, or without a PFD on.

Easy Access

Side access breast pocket with water resistant zip provides easy access; even when wearing a PFD.

Available Sizes

Adult XS – XXL; Junior: J10, J12

TOPS

THERMAL TOP CL210

Maximum Comfort

Low collar, seamless underarm panels and an athletic fit make it perfect for layering.

Hydrophobic Outer Treatment

Helps shield you from unwanted splashes and sprays.

UV-Smart

UPF 50+ UV-protection against the sun.

Available Sizes

Adult XS – XXL; Junior: J08, J10, J12

LONG SLEEVE RASHIE CL220

Max Comfort

Seamless underarm panel and external stitching for a great fit.

UV-Smart

UPF 50+ UV-protection against the sun.

Ultra-Versatile

Perfect for any sunny-day action - sailing, surfing or paddling.

Available Sizes

XS – XXL

BOOTS

SUPERFLEX SAILING SHOE CL600

Ultra-Light & Super-Flexible
The perfect combination.

Unrivalled Stability & Comfort
Internal toe separator and outer bridge strap give you improved stability.

Extra Protection
Added heel, ankle and toe padding offer more protection.

Available Sizes
XXXS – XXXL

SAILING BOOT CL630

Tried & True
Traditional razor-cut sole for performance grip.

Easy Entry
Side zipper for easy fitting and reinforced neoprene upper for hiking comfort.

Lightweight & Comfortable
The perfect combo.

Available Sizes
XXXS – XXXL

RACE BOOT CL620

Race-Ready!
Hard-wearing, moulded sole with extra heel and toe texturing provides reliable grip and firm footing.

Easy-On
Side zipper with secure fastener tab for an easy on-and-off and a snug fit.

Reinforced Comfort
Padded neoprene upper reinforced for hiking comfort.

Available Sizes
XXS – XXXL

GLOVES

RACE GLOVES CUT FINGERS CL700 THREE FULL FINGERS CL710

Durable, synthetic leather gloves that provide max performance with minimum stretch and shrinkage for all your demanding water sport activities – sailing, kayaking, kiteboarding, SUP-ing.

Double-Tough

Double Aramid-stitched in high-wear areas and double-thick palms and fingers for protection and grip.

Great Flex-Fit

Hook-and-loop closures and mesh panels add flexibility and comfort.

Versatile

Low-cut wrist bands for freedom of movement and excellent ClearStart™ watch visibility and operation.

Available Sizes

XXXXS – XXL

STICKY RACE GLOVES CUT FINGERS CL730 THREE FULL FINGERS CL740

Sticky Race Gloves add grip and reduce fatigue by minimising the physical effort to hold rope – the perfect partner for endurance sailing.

Double-Tough

Double Aramid-stitched in high-wear areas and double-thick palms and fingers for protection and grip.

Great Flex-Fit

Hook-and-loop closures and mesh panels add flexibility and comfort.

Versatile

Low-cut wrist bands for freedom of movement and excellent ClearStart™ watch visibility and operation.

Available Sizes

XXS – XXL

**50MM SAILING WATCHES
RF4055**

**RACE TIMER
RF4050**

CLEARSTART™ WATCHES

INNOVATIVE RACE FUNCTIONS WITH BOLD NEW STYLING

ClearStart™ Race Timer & Sailing Watches combine contemporary styling with true sailing functionality.

Featuring large buttons, easy to read displays and advanced, intuitive programming, ClearStart™ Timer and Watches are specifically designed with the racing sailor in mind.

Developed in collaboration with some of the world's top sailors, they set the standard on and off the water. If you're looking for that competitive edge, the difference is ClearStart™.

Big, Quick-View Displays

The entire ClearStart™ range features oversized digit displays for quick & easy viewing so that you never have to take your hand off the helm.

Race Sequence Re-synchronisation

Racing sailors know it can be hard to start a watch at the exact second the start sequence is commenced. But with ClearStart's SYNC function, you can quickly re-synchronise to the official race time. And, a simple press of a button allows you to drop down to the next minute, getting you back in perfect SYNC at the next opportunity.

Water & Shock Resistant

Designed to survive the rigours of competitive sailing, ClearStart™ watches and timer are water resistant, rated at 5ATM and are highly shock-resistant.

Pre-programmed

Race Sequence Sounds

ClearStart's sound signals let you know exactly where you are in the start sequence without looking at the display. Pre-programmed with World Sailing 5-4-1-0 and match-racing start sequences, users can also program ClearStart™ for other count down sequences.

End of Sequence –

Count Down or Count Up

Depending on the user's preference, the ClearStart™ can be set up to repeat the count down at the end of the sequence for general recall restarts, or to start counting up, to track elapsed time.

Multi-Line Display with Real-Time

No need to switch between 'count down' and 'time' modes because the actual current time is displayed below the count down time on the multi-line ClearStart™ display.

Daily Life Functionality

From waking up to working out, a ClearStart™ watch is also great for everyday activities. Standard modes include 12 or 24-hour time format, date in day/month or month/day format, daily alarm and chronograph stop watch.

Luminescent Backlight

Bright, full-face electroluminescent backlighting is easy to read at night and can be turned on temporarily for a quick view.

BAGS

55-LITRE DRY BAG RF4003

A rugged, water resistant roll-top dry bag that is loaded with practical features and big enough for all your sailing, kiting, surfing or paddling gear delivered in a smart, ergonomic backpack that makes packing and travelling a breeze.

Room to Spare

A big 55 litre (58 quarts) capacity when closure is folded over 3x and featuring a large opening for ease of packing and handling.

Versatile, Snug Fit

Backpack harness, padded straps and adjustable cross-chest strap for extra comfort and smart fit.

Watertight

Durable PVC outer, leak-proof welded construction and reliable fold and clip closure keeps your gear dry.

Accessory-Friendly

Including mesh bottle holder with retaining cord, large water resistant accessory pocket and internal key clip.

Outside Dimensions

H700mm x W380mm x D350mm
(H27 1/2" x W15" x D13 3/4")

Note: external pocket zip is only water resistant, not water proof. Outside dimensions measured when folded 3x.

26-LITRE DRY BACKPACK RF4006

The 26 litre (27.5 quarts) dry backpack combines a water resistant roll-top seal with the practical features of an ergonomic backpack that makes packing light a cinch.

Handy Features

Includes fast access front pocket with water resistant zip, side-mounted accessory straps and mesh drink bottle holder.

Fully-Adjustable

Backpack harness, padded straps and cross-chest strap for comfort and fit.

Commuter-Friendly

Convenient top mounted, quick-grab handle and reflective fluorescent strip for increased visibility.

Outside Dimensions

H500mm x W300mm x D250mm
(H19 1/2" x W12" x D10") when folded 3x.

10-LITRE DRY BAG RF4007

A handy compact dry bag that is highly water resistant, the perfect size – 10 litre (10.5 quarts) for protecting personal items.

Secure

Simple, reliable fold and clip closure keeps everything dry.

Leak-Proof Construction

Durable, fully-welded PVC construction.

Outside Dimensions

H300mm x W200mm (H12" x W8")
when folded 3x.

BAGS

GEAR BAG RF4002

A perfect carry-all, the Ronstan Gear Bag is roomy with a double-zip top flap for easy access, two end pockets, one with mesh for drainage and ventilation.

Durable Versatility

Adjustable, heavy duty handles with padded grip and central strap with buckle for securing other gear on top.

Wet and Dry Storage

Includes a separate 10-litre waterproof grab bag for your wet gear.

Outside Dimensions

H350mm x W650mm x D300mm
(H13 3/4" x W25 1/2" x D12").

55-LITRE WEATHERPROOF CREWBAG RF4005

A large extremely durable carry-all that's perfect for your crew.

Weather Ready

Water-resistant double zip and storm flap on main and end compartments.

Travel Equipped

Adjustable carry handles with padded grip and reflective fluoro-strip for increased visibility.

Outside Dimensions

H300mm x W650mm x D300mm
(H11 1/2" x W25 1/2" x D11 1/2").
